

Motorola Nextel i880 Front Screen Replacement

The front screen can display who is calling and the time. If it is broken it is easily replaceable.

Written By: Danielle Matthews

TOOLS:

- [Tweezers](#) (1)
-

Step 1 — Front Screen

- Use sharp tweezers and pry off the front screen.
- *Start down by where the keys are on the front screen*

Step 2

- Take new screen, apply pressure and push it into place. (May need small amount of adhesive along edge of screen)

To reassemble your device, follow these instructions in reverse order.
